JURY TRIAL DEMANDED

CORRECTED NOTICE OF COMPLIANCE

This notice corrects the Notice of Compliance originally filed and served on December 15, 2014. The correction falls under the discussion of Kyocera below. Pursuant to Paragraph 12 of the Amended Protective Order Regarding the Disclosure and Use of Discovery Materials (Dkt. No. 152), notice is given that Plaintiff ContentGuard Holdings, Inc. produced third-party confidential information in compliance with the Amended Protective Order and verifies as follows:

1. **Fujitsu:** ContentGuard notified Fujitsu of its intent to produce information by letter dated November 26, 2014, sent by email and overnight delivery. Fujitsu responded via email on December 10, 2014. Fujitsu requested that certain specific information relating to another party be omitted from the production.

Otherwise, Fujitsu consented to the production of the materials as confidential, attorneys' eyes only. The material Fujitsu requested redacted appears irrelevant to the claims and defenses in the case. Accordingly, ContentGuard has produced the documents with the requested redactions as confidential attorneys' eyes only.

2. **Sharp:** ContentGuard notified Sharp of its intent to produce information by letter dated November 26, 2014, sent by email and overnight delivery. Sharp responded via email on December 3, requesting the redaction of certain information relating to patents that are neither in suit, nor in the same chain of priority as the patents in suit, nor foreign counterparts. ContentGuard has produced the documents with the requested redactions as confidential attorneys' eyes only.

3. **Kyocera:** ContentGuard notified Kyocera of its intent to produce information by letter dated December 1, 2014, sent by overnight delivery. Kyocera responded via email on December 10 that it would not be objecting to the production of the information. ContentGuard has produced the information as confidential – attorneys' eyes only.

Dated: December 19, 2014

Respectfully submitted,
